

LaPorte County Household Hazardous Waste

Know How & Where to Dispose of Household Hazardous Waste Materials

What is the Household Hazardous Waste Mobile Collection Program?

LaPorte operates a mobile household hazardous waste unit. Also, runs a battery collection program, along with a Conditionally Exempt Quantity Generator (CESQG) program and is part of IDEM's Mercury Awareness Program (MAP). Call the La Porte County Solid Waste District to find out more about these other programs.

1-800-483-7700 or 219-326-0014
